## WHAT IS **BEST** TO GET

**He granteth wisdom  
to whom He pleaseth;  
and he to whom  
wisdom is granted  
receiveth indeed a  
benefit overflowing;  
but none will grasp  
the Message but men  
of understanding.**

(Al Quran Chapter 2 Verse 269)

يُؤْتِي الْحِكْمَةَ مَنْ  
يَشَاءُ وَمَنْ يُؤْتِ  
الْحِكْمَةَ فَقَدْ أُوتِيَ خَيْرًا  
كَثِيرًا وَمَا يَذَّكَّرُ إِلَّا  
أُولُو الْأَلْبَابِ

2:269

### **Watch out for what you pray?**

In this verse Allah(swt) tells us that the best to get is the wisdom I doubt if some of us pray to get wisdom but surely the men of understanding who believe in Allah(swt) and know the real values in the life don't ask or look for the things that money can buy

they ask for internal qualities and abilities that only the creator can create  
so I suggest you to start praying for wisdom
