

(May Peace & Blessings Of Allah(swt) Be On Us All)

CHOOSE GOOD OR BAD

قُلْ لَّا يَسْتَوِي الْحَيُّثُ وَالطَّيِّبُ وَلَوْ أَعْجَبَكَ كَثْرَةُ الْحَيِّثِ

فَاتَّقُوا اللَّهَ يَا أُولِي الْأَلْبَابِ لَعَلَّكُمْ تُفْلِحُونَ 5:100

کہہ دو کہ ناپاک چیزیں اور پاک چیزیں برابر نہیں ہوتیں گو ناپاک چیزوں کی کثرت تمہیں خوش ہی لگے تو عقل والو خدا سے ڈرتے رہو تاکہ رستگاری حاصل کرو 5:100

Say: "There is no comparison between the bad things and the good things, even though the abundance of the bad may please you so fear Allah,

O you that understand; (so) you may prosper

[Al-Quran Chapter 5 Verse 100]

will there be anyone
who would like to have many rotten apples instead of one good one

if we really understand good and bad in eating
why don't we understand it
in earnings, in decisions, in actions, in relations

there is good and bad in everything
criteria to judge is within us

we know what is bad
even though we go to get that
but the bad is always bad no matter how much we like that

The Verse Above Says If You Want To Prosper Then Always Choose Good
