

(May Peace & Blessings Of Allah(swt) Be On Us All)

FACE YOUR MISTAKES

وَمَنْ يَكْسِبْ خَطِيئَةً أَوْ
إِثْمًا ثُمَّ يَرْمِ بِهِ بَرِيئًا فَقَدْ
اِحْتَمَلَ بُهْتَانًا وَإِثْمًا مُّبِينًا

4:112

اور جو شخص کوئی قصور یا گناہ تو خود کرے لیکن اس سے کسی بے گناہ کو مہتم کر دے
تو اس نے بہتان اور صریح گناہ کا بوجھ اپنے سر پر رکھا 4:112

and whoever commits a fault or a sin and then throws it on to someone innocent
he has indeed burdened himself with falsehood and a manifest sin
(Al Quran Chapter 4 Verse 112)

every one of us makes mistakes
for some we face embarrassments and for some punishments
some of us tries to escape and put the blame on others
and there the mistake turns into a sin

the verse above is telling us
that facing punishment is better than blaming an innocent
read Quran to compare
why it is better to settle the matter here in this life
instead of taking it there to the other life

SETTLE YOUR MISTAKES IF YOU ARE STILL ALIVE BECAUSE YOU STILL HAVE TIME
