

(May Peace & Blessings Of Allah(swt) Be On Us All)

GO THE RIGHT WAY

مَنْ عَمِلَ صَالِحًا
فَلِنَفْسِهِ وَمَنْ أَسَاءَ
فَعَلَيْهَا وَمَا رَبُّكَ بِظَلَّامٍ
لِّلْعَبِيدِ 41:46

whosoever does righteous good deed
it is for (the benefit of) his ownself, and whosoever does evil,
it is against his ownself, and your Lord is not at all unjust to (His) slaves

(Al Quran Chapter 41 Verses 46)

جو نیک کام کرے گا تو اپنے لئے۔ اور جو برے کام کرے گا تو ان کا ضرر اسی کو ہوگا۔ اور

تمہارا پروردگار بندوں پر ظلم کرنے والا نہیں 41:46

Do we realize what we Do
What my eyes are looking at
What my hands are moving for
Where my feet are taking me

my eyes and my hands and my feet
obey whatever I say

the Verse above is saying
that every good someone is doing is for his own good
and every bad anyone is doing is for his own bad

everyone knows what is good and bad
ask yourself if you don't

move yourself to the right way, don't let anyone pull you to do bad
