

(May Peace & Blessings Of Allah(swt) Be On Us All)

NEVER SAY I WILL

18:23 وَلَا تَقُولَنَّ لِشَيْءٍ إِنِّي فَاعِلٌ ذَلِكَ غَدًا

إِلَّا أَنْ يَشَاءَ اللَّهُ وَادْكُرْ رَبَّكَ إِذَا نَسِيتَ

وَقُلْ عَسَى أَنْ يَهْدِيَنِّي رَبِّي لِأَقْرَبَ مِنْ هَذَا

رَشْدًا 18:24

اور کسی کام کی نسبت نہ کہنا کہ میں اسے کل کر دوں گا 18:23 مگر (انشاء اللہ کہہ کر یعنی اگر) خدا چاہے تو (کر دوں گا) اور جب خدا کا نام لینا بھول جاؤ تو یاد آنے پر لے لو۔ اور کہہ دو کہ امید ہے کہ میرا پروردگار مجھے اس سے بھی زیادہ ہدایت کی باتیں بتائے 18:24

and never say about anything, that, I shall do this tomorrow, 18:23
without (adding), "if Allah(swt) so wills. and if you would forget [at the time, and
become aware of it later], then remember Allah(swt) and say: "I pray that my Lord
[Allah(swt)] will guide me, even closer than this to the right path!" 18:24
(Al Quran Chapter 18 Verses 23-24)

take advice from above verses
never say I will, always say, if Allah(swt) may will

we all have big plans
we make schedules and set our targets
we do our best to manage and control things for winning success
but when it ends as a failure we get depressed

because we forget that
we do not have any control on anything at all
not even on ourselves
we never know when our heart may change its speed
or even if we may be able to drive safely to home

live a happy active life
make even bigger plans and do the best efforts
but with all your plans and commitments never forget to say
In-sha-Allah, if Allah(swt) wills
