## SIGN IN THE UN-HAPPENED

وَكَذَّبَ بِهٖ قَوْمُكَ وَهُوَ الْحَقُّ

قُل لَّسْتُ عَلَيْكُمْ بِوَكِيلٍ 6:66

لِكُلِّ نَبَاٍ مُّسْتَقَرٌّ وَسَوْفَ

تَعْلَمُونَ 6:67

اور اس (قرآن) کو تمہاری قوم نے جھٹلایا حالانکہ وہ سراسر حق ہے۔  
کہہ دو کہ میں تمہارا داروغہ نہیں ہوں 6:66 ہر خبر کے لئے ایک وقت مقرر ہے  
اور تم کو عنقریب معلوم ہو جائے گا 6:67

but your people (O Muhammad SAW) have denied it (the Qur'ân)  
though it is the truth. Say: "I am not responsible for your affairs." {66}  
Every news has a time for it and You will soon come to know {67}

(Al Quran Chapter 6 Verses 66 -67)

let's try to know the  
sign of Allah(swt) from the above verse

first of all be realized that  
this verse was revealed in a situation  
where rivals of Islam reached to the highest levels of enmity  
they were planning to assassinate Prophet of Allah(swt)  
and soon after this, Prophet had to migrate and  
after 10 years Prophet returned  
to same city as conqueror

now read the verse again  
everyone around is against a man and have planned to kill him  
and someOne is telling him that you will stand victorious  
and that every news has a time to come  
and you will know it soon

now notice that  
how confident was the One that told this and  
how sure was the One that obeyed

the history of the events proved that  
the One that said, was true and the One that obeyed, stood victorious

it proves it here that  
the One that told, knew, what was going to happen and  
the One that obeyed, knew that the One who told, will make it happen
