## SAVED AS SIGN

فَالْيَوْمَ نُنَجِّيكَ بِبَدَنِكَ لِتَكُونَ

لِمَنْ خَلْفَكَ آيَةً وَإِنَّ كَثِيرًا

مِّنَ النَّاسِ عَن آيَاتِنَا لَغَافِلُونَ

10:92

*Today We shall save your body, so  
that you may be a [warning] sign unto  
those who will come after you:  
for, behold, many people are heedless  
of Our messages  
(Al Quran Chapter 10 Verse 92)*

3000 years ago, this man, Ramses-II, known as Firaon (Pharaoh) lived as the most cruel king of Egypt, he declared himself as god and stood against the signs of Allah(swt) and was drowned in the Red Sea with his entire army

In 1891 AD his body was found and his identity was confirmed by the scientist and archeologists. The Question is how come his body was saved over thousands of years and without any mummification process

The answer is given in Quran, the story of Firaon ended on the above verse telling us that when Firaon became sure that he is going to die in water and there is no escape he tried to repent and said loudly that I believe in Allah(swt) but it was too late for him so it was said that your body will be saved as warning to others

Now be realized that this verse was revealed 1330 years earlier than the discovery of Firaon's body when no one could have imagined that his body will ever be found

But as said in the above verse his body is saved  
as a sign and warning lesson for the people to come that are us  
so that to believe in Allah(swt) and stop doing wrong
